

## About A.C.S. Pre-Kindergarten

Asheville Catholic School offers a Montessori-based program in a nurturing, Christian setting. We provide a variety of hands-on activities in a carefully prepared environment. Our students also receive lessons in MUSIC, SPANISH, PHYSICAL EDUCATION, LIBRARY, and ART, from a staff of experts. We sing, and bring handcrafted gifts to our elderly friends at the Golden Living Center four times a year. The Big Friend-Little Friend program is one of the many highlights of our week. Every pre-k student is paired with an eighth grader for the school year. As well as attending weekly mass together, we share many learning experiences. In addition, the classroom is attached to a playground designed especially for pre-schoolers; it includes fun climbing structures as well as a beautiful garden.

# Mission Statement

Asheville Catholic School integrates Roman Catholic tradition and principles in a comprehensive instructional program. We guide our students to become Christian leaders and inspire them to become life-long learners capable of living to the fullest potential in our world.

## CURRICULUM

In addition to our Montessori Program, and the other core classes in our curriculum, Asheville Catholic School also provides:

### TECHNOLOGY

Our technology program exceeds expectations. We have two student computers in our classroom, and a computer projector. We have access to a computer lab, and are on schedule to receive a Smart board.

### RELIGION

We use the God Made the World religion series to teach Catholic principles and traditions. We also use the Heartwood character education series to instill traits of courage, loyalty, justice, respect, hope, honesty and love.

### HANDWRITING

We use Handwriting Without Tears,<sup>®</sup> a proven success in making legible and fluent handwriting an easy and automatic skill for *all* students.

## HOURS

School Hours  
7:30 to 3:00

## TUITION

Parishioner: \$5,244  
Non Parishioner: \$6,288

## AGES

Pre Kindergarten students must be 4 years old by August 31.

## AFTER SCHOOL ENRICHMENT PROGRAM

The ASEP provides a stimulating and safe child-centered happy environment which allows children to interact freely with others. Each day ASEP students have snack, recess, and recreational time including crafts, cooking, and games.
