

## ASHEVILLE CATHOLIC SCHOOL TUITION AGREEMENT FOR 2011-2012

- A non-refundable registration fee of \$240 per student must be paid in full when the student is registered. The registration fee(s) will be fully applied toward annual tuition.
- A non-refundable new student application fee of \$100 per family must be paid in full before the student is registered. All families who do not re-register prior to May 2, 2011 will be required to pay this fee.
- To receive parishioner rates, each Catholic family must submit a current Parish Voucher to its parish during registration. It is the family's responsibility to make sure that the school receives a copy of this voucher by Thursday, March 31, 2011.
- Tuition may be paid in one annual installment (due to ACS on May 2, 2011) or in 12 equal monthly installments. Families who do not pay in one installment must make payments through the SMART tuition collection system on their chosen date and will be responsible for the \$20 late fee if payments are not received on time. There is a \$43 service charge per family assessed for SMART, billed for and paid to SMART. The first of the twelve tuition installments for the 2011-2012 academic year is due to SMART on May 2, 2011 and is non-refundable.
- If a student withdraws from school after May 2, 2011, tuition will be refunded to the student's family on a pro rata basis; provided that the family has paid for tuition in one annual installment. The pro rata calculation will be based on a daily rate for the number of days of school attended. No refunds will be issued to families who pay for tuition through the SMART program. All families are liable for monthly payments and/or late fees due prior to the date of withdrawal.
- All new families, including current families who do not re-register prior to May 2, 2011, who register with the SMART program are required to make payments via automatic draft.

Monthly tuition installments are listed below. These amounts are derived by taking the total family tuition, deducting the \$240 per student registration fee and then dividing this figure into 12 monthly installments. The \$43 SMART fee will be added to the first payment. The first monthly installment is due to SMART May 2, 2011 and is non-refundable.
